

At **La Serenità Residential Care** the hallway is big and bright very convenient to walk anytime.

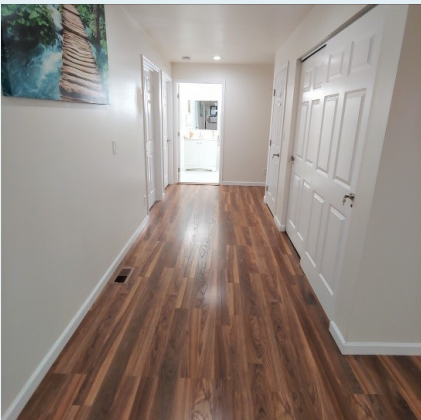

READY—SET—WALK

Walk to be healthy

Walk to be happy

Walking improves cardiac risk factors such as cholesterol, blood pressure, diabetes, obesity, inflammation, and mental stress.

Moderate exercise also helps protect against dementia, peripheral artery disease, obesity, diabetes, depression and colon cancer.

"Just like Home!"

La Serenità Residential Care LLC is a licensed Adult Family Home providing dedicated homecare services. For many of us, choosing a residential care facility for our loved ones is a major decision to make. If you are looking for a comfortable, safe and caring home for your parents, grandparents, a dear friend or yourself, **La Serenità Residential Care** is the one for you.

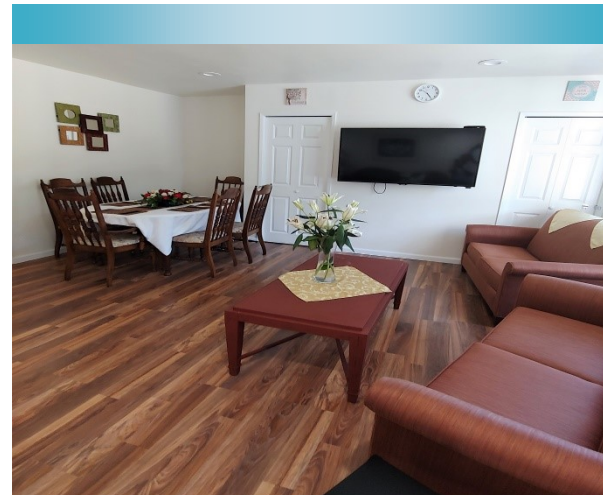

If an accident or illness has left you or a loved one unable to perform daily routines, or requiring regular medication and monitoring, we can provide the support you need.

Our mission is to provide the highest level of professional care to our residents, along with compassion, tenderness and respect to enhance the quality of their lives: physically, mentally & emotionally.

We want to make a difference in the lives of others, by providing elders and their families support as they encounter challenges of aging and disabilities, and as making them feel **"Just like Home!"**.

Our Services Include
